Thanks to everyone who entered our fourth open TT which was held in memory of Dan Ward, who sadly died on one of our club runs in 2012. Participants benefited from a dry afternoon with a bit of sunshine and light winds to help them round a hilly course, which includes Robins Nest Hill.

Matij Ilic & Chris Nicholls both from Regents Park Roulers recorded an impressive time of 21:09 to be joint fastest on the day. Their nearest rival was Tom Percival, also from Regents Park Roulers, who recorded a time of 21:37. Lucy Charles of Hoddesdpm Tri Club was the fastest woman getting round the course in 24:40 whilst Vivienne Tomlin from CC London was the fastest woman veteran recording 25:58. Philip Murrell of Finsbury Park CC was the fastest male veteran with 21:59. We also had another category this year, which was fastest road bike (no aero additions, wheels upto 50mm) which was also won by Matija Ilic with a time of 21:09.

Thank you to dhb for providing the top prizes for the fastest male & female times, which consisted of £250 worth of kit from their latest Aeron Speed range. Given there was a joint winning time we had to split this. Special mention and thanks also to Rapha who provided prizes for fastest road bike time and fastest male & female vet times.

Thanks also to all those who helped with the organisation of the event, especially everybody who helped with the catering and turned out to marshal; the home made cakes and Top Hats (marshmallows in chocolate) were probably the highlight of the day!

A special thanks to Vince Freely of Finsbury Park CC who took on time keeping duties, assisted by Paul Shipway. Steven Drew also deserves a special mention for undertaking pushing off duties for all 69 riders!

In honour of Dan Ward's memory, all proceeds over and above running costs are donated to a charity nominated by Dan's widow Alison. This year we have raised £750 for MacMillan Cancer Support.
